Halloween Decoration

These halloween decoration pumpkins are made of white earthenware clay, hand shaped without any mold. They can be used as a decoration or a nice artful gift for any occasion. Each item is made one by one at hand with much love and care. The making of ceramic has too many stages. First clay gets its form, the object is let to dry a few days, then imperfections are retouched and it goes into the kiln.

Occasion: collectible gothic skull decor for home, office, desk, bathroom, a candle holder for LED candles, a flameless incense cone burner, a solid perfume container, a fish tank ornament, or even a secret hiding place. The hits. It goes beyond Halloween, Day of the Dead, Valentine's Day, Christmas, birthdays, a fantasy gift for skull lovers. PAMPER: resistant but not to throw. Soft powder, then until death will still be.
